Stop *Scours with Bio-Mos for an additional cost of less than .04 / day.*

Sweet Phos 8 Mineral w/ Bio-Mos and CTC
\$1000 / Ton in Ton Lots
Picked up in Alpena or Miller

BGF-30 Barrel w/ Bio-Mos
\$920 / Ton in Ton Lots
Picked up in Alpena or Miller

Feeding Bio-Mos to the calf's mother will support the development of the calf's immune system through the colostrum. Feeding Bio-Mos Directly to the calf protects the intestine limiting calf mortality.

Opticare Calf Paste is a scour paste that

Helps with 4 types of scours:

1. Coronavirus
2. Rotovirus
3. E.Coli K-99
4. Cryptosporidia
